

Alan Walker, On My Way (feat. Sabrina Carpenter)

I'm sorry but
Don't wanna talk
I need a moment before I go
It's nothing personal
I draw the blinds
They don't need to see me cry
Cause even if they understand
They don't understand

So then when I'm finished
I'm all 'bout my business
And ready to save the world
I'm taking my misery
Make it my bitch
Can't be everyone's favorite girl

So take aim and fire away
I've never been so wide awake
No, nobody but me can keep me safe
And I'm on my way
The blood moon is on the rise
The fire burning in my eyes
No, nobody but me can keep me safe
And I'm on my way

Lo siento mucho, pero me voy
Porque a tu lado me di cuenta que nada soy
Y me cansé de luchar y de guerrear en vano
De estar en la línea de fuego y de meter la mano
Acepto mis errores, también soy humano
Y tú no ve' que lo hago porque te amo
Pero ya no tengo más na' que hacer aquí
Me voy, llegó la hora 'e partir
De mi propio camino, seguir lejos de ti

So take aim and fire away
I've never been so wide awake
No, nobody but me can keep me safe
And I'm on my way
The blood moon is on the rise (Is on the rise, na-na)
The fire burning in my eyes (The fire burning in my eyes)
No, nobody but me can keep me safe
And I'm on my way

Everybody, everybody keep me safe [x3]
Everybody, everybody, on my way

So take aim and fire away
I've never been so wide awake
No, nobody but me can keep me safe
And I'm on my way
The blood moon is on the rise
The fire burning in my eyes
No, nobody but me can keep me safe
And I'm on my way
