

# Alan Walker, On My Way (ft. Sabrina Carpenter &

I'm sorry but don't wanna talk  
I need a moment before i go  
It's nothing personal

I draw the blinds  
They don't need to see me cry  
Cause even when they understand  
They don't understand

so then when i am finished  
I'm all about my business  
and ready to save the world  
I am taking my misery  
can't be everybody's favorite girl

so take aim and fore away  
I've never been so wide awake  
no, nobody but me  
can keep me safe  
and I am on my way  
the blood moon is on the rise  
the fire burning in my eyes  
no, nobody but me  
can keep me safe  
and I am on my way

lo siento mucho, pero me voy  
por que a tu lado me di cuenta que nada soy  
y me canse de luchar y de guerrear en vano  
de estar en la linea de fuego soy humano  
y tu no vez que lo Hago por que te amo

pura ya no tengo mas na que hacer qgui  
me voy ilego la hora de partir  
en mi propio camino  
saguiré lejos de ti

so take aim and fore away  
I've never been so wide awake  
no, nobody but me  
can keep me safe  
and I am on my way  
the blood moon is on the rise  
the fire burning in my eyes  
no, nobody but me  
can keep me safe  
and I am on my way
