Alan Walker, Sing Me To Sleep

Wait for a second Let me catch my breath Remind me how it feels to hear your voice Your lips are moving I can't hear a thing Living life as if we had a choice

Anywhere, anytime I would do anything for you anything for you yesterday gone away A melody stucked inside your head A song in every breath

Sing me to sleep now Sing me to sleep Won't you sing me to sleep now? Sing me to sleep

Remember me No time can erase I can't hear your whispers in my mind I've become what you cannot embrace Our memory will be my lullaby

Sing me to sleep now Sing me to sleep Won't you sing me to sleep now? Sing me to sleep

Any time I would do Time away Yesterday /2x
