Alan Walker, Sing Me To Sleep

Wait for a second
Let me catch my breath
Remind me how it feels to hear your voice
Your lips are moving
I can't hear a thing
Living life as if we had a choice

Anywhere, anytime
I would do anything for you
anything for you
yesterday gone away
A melody stucked inside your head
A song in every breath

Sing me to sleep now
Sing me to sleep
Won't you sing me to sleep now?
Sing me to sleep

Remember me
No time can erase
I can't hear your whispers in my mind
I've become what you cannot embrace
Our memory will be my lullaby

Sing me to sleep now
Sing me to sleep
Won't you sing me to sleep now?
Sing me to sleep

Any time
I would do
Time away
Yesterday
