

Alanis Morissette, I Miss The Band

The inside joke well understood
The nudge nudge wink wink
And finisz each other's harmonies

The late night
Drive through italian roads
Trains pulling out
And we're all in on the secret

Where did you go
We are a league
To be reckoned with
As we run all around the planet

And i miss the band
1+1+50
And i am imploding without you
And tehre's not a day
That goes by where i don't hear
Our music in my head
Where i don't miss
Travelling in your company
