## Alanis Morissette, You Already Won Me Over

I had no choice but to hear you You stated your case time and again I thought about it You treat me like I'm a princess I'm not used to liking that You ask how my day was (chorus)

You've already won me over in spite of me Don't be alarmed if I fall head over feet

Don't be surprised if I love you for all that you are

I couldn't help it It's all your fault

Your love is think and it swallowed me whole You're so much braver than I gave you credit for

That's not lip service

(repeat chorus)

You are the bearer of unconditional things You held your breath and the door for me

Thanks for your patience You're the best listener that I've ever met

You're my best friend Best friend with benefits What took me so long I've never felt this healthy before

I've never wanted something rational

I am aware now I am aware now (repeat chorus)
