## Alessia Cara, How Far I'll Go

I've been standing at the edge of the water
'Long as I can remember, never really knowing why
I wish I could be the perfect daughter
But I come back to the water, no matter how hard I try

Every turn I take, every trail I track Every path I make, every road leads back To the place I know, where I can not go Though I long to be

See the line where the sky meets the sea?
It calls me!
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me
One day I'll know, if I go there's just no telling how far I'll go

I know, everybody on this island seems so happy On this island everything is by design I know, everybody on this island has a role on this island So maybe I can roll with mine

I can lead with pride, I can make us strong I'll be satisfied if I play along But the voice inside sings a different song What is wrong with me?

See the light as it shines on the sea? It's blinding But no one knows, how deep it goes And it seems like it's calling out to me, so come find me And let me know, what's beyond that line, will I cross that line?

See the line where the sky meets the sea? It calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me
One day I'll know, how far I'll go
