Alessia Cara, Scars To Your Beautiful

She just wants to be beautiful
She goes unnoticed, she knows no limits
She craves attention, she praises an image
She prays to be sculpted by the sculptor
Oh, she don't see the light that's shining
Deeper than the eyes can find it, maybe we have made her blind
So she tries to cover up her pain and cut her woes away
Cause covergirls don't cry after their face is made

But there's a hope that's waiting for you in the dark You should know you're beautiful just the way you are And you don't have to change a thing The world could change its heart No scars to your beautiful, we're stars and we're beautiful Oh, oh, oh Oh-oh, oh, oh And you don't have to change a thing The world could change its heart No scars to your beautiful, we're stars and we're beautiful She has dreams to be an envy, so she's starving You know, covergirls eat nothing She says "beauty is pain and there's beauty in everything" "What's a little bit of hunger?" "I can go a little while longer," she fades away She don't see her perfect, she don't understand she's worth it Or that beauty goes deeper than the surface, oh, oh So to all the girls that's hurting, let me be your mirror Help you see a little bit clearer the light that shines within

There's a hope that's waiting for you in the dark You should know you're beautiful just the way you are And you don't have to change a thing The world could change its heart No scars to your beautiful, we're stars and we're beautiful

No better you than the you that you are No better you than the you that you are No better life than the life we're living No better life than the life we're living No better time for your shine, you're a star No better time for your shine, you're a star Oh, you're beautiful, oh, you're beautiful

And there's a hope that's waiting for you in the dark
You should know you're beautiful just the way you are
And you don't have to change a thing
The world could change its heart
No scars to your beautiful, we're stars and we're beautiful
And you don't have to change a thing
The world could change its heart
No scars to your beautiful, we're stars and we're beautiful
