

Alessia Cara, Wild Things

Find table space to say your social graces
Bow your head, the pie is here, but you and I, we're pioneers
We make our own rules, our own room, no bias here
Let 'em sell what they are sellin', there are no buyers here
So gather all the rebels now, we'll rebel rouse and sing aloud
We don't care what they say no way, no way
And we will leave the empty chairs to those who say we can't sit there
We're fine all by ourselves

So aye, we brought our drum and this is how we dance
No mistakin', we make our breaks, if you don't like our 808s
Then leave us alone, cause we don't need your policies
We have no apologies for being...

Find me where the wild things are
We'll be alright, don't mind us,
Find me where the wild things are
We'll be just fine, don't mind us,
Find me where the wild things are

I lose my balance on these eggshells you tell me to tread
I'd rather be a wild one instead
Don't wanna hang around the in crowd, the cool kids
I'm cool to me, cause they're not cooler than we are

So aye, we brought our drum and this is how we dance
No mistakin', we make our breaks, if you don't like our 808s
Then leave us alone, cause we don't need your policies
We have no apologies for being...

Find me where the wild things are
We'll be alright, don't mind us,
Find me where the wild things are
We'll be just fine, don't mind us,

We will carve our place into time and space
We will find our way, or we'll make a way, say hey, hey
Hey find your grace, don't you hide your face
And let it shine, shine, shine

So aye, we brought our drum and this is how we dance
No mistakin', we make our breaks, if you don't like our 808s
Then leave us alone, cause we don't need your policies
We have no apologies for being...

Find me where the wild things are
We'll be alright, don't mind us,
Find me where the wild things are
We'll be just fine, don't mind us,
Find me where the wild things are
