## Alessia Cara, Wild Things

Find table space to say your social graces
Bow your head, the pie is here, but you and I, we're pioneers
We make our own rules, our own room, no bias here
Let 'em sell what they are sellin', there are no buyers here
So gather all the rebels now, we'll rebel rouse and sing aloud
We don't care what they say no way, no way
And we will leave the empty chairs to those who say we can't sit there
We're fine all by ourselves

So aye, we brought our drum and this is how we dance No mistakin', we make our breaks, if you don't like our 808s Then leave us alone, cause we don't need your policies We have no apologies for being...

Find me where the wild things are We'll be alright, don't mind us, Find me where the wild things are We'll be just fine, don't mind us, Find me where the wild things are

I lose my balance on these eggshells you tell me to tread I'd rather be a wild one instead Don't wanna hang around the in crowd, the cool kids I'm cool to me, cause they're not cooler than we are

So aye, we brought our drum and this is how we dance No mistakin', we make our breaks, if you don't like our 808s Then leave us alone, cause we don't need your policies We have no apologies for being...

Find me where the wild things are We'll be alright, don't mind us, Find me where the wild things are We'll be just fine, don't mind us,

We will carve our place into time and space We will find our way, or we'll make a way, say hey, hey Hey find your grace, don't you hide your face And let it shine, shine, shine

So aye, we brought our drum and this is how we dance No mistakin', we make our breaks, if you don't like our 808s Then leave us alone, cause we don't need your policies We have no apologies for being...

Find me where the wild things are We'll be alright, don't mind us, Find me where the wild things are We'll be just fine, don't mind us, Find me where the wild things are
