

# Alex Adair, Heaven

Heaven must have sent you

No I don't know where you come from baby  
Don't know where you've been my baby  
But heaven must have sent you  
Heaven must have sent you

Heaven must have sent you

Heaven must have sent you

So long I've needed love right near me  
Have some boys to cheer me  
Heaven must have sent you, honey  
Heaven must have sent you

So long I've needed love right near me  
Have some boys to cheer me  
Heaven must have sent you, honey  
Heaven must have sent you

baby, love you more each day  
It's a heaven in your arms  
Boy, it's the sweetness of your charmes  
Makes me love you more each day  
In your arms I want to stay

Heaven must have sent you
