

# Alex Christensen & The Berlin Orchestra, Around

The kisses of the sun  
were sweet I didn't blink  
I let in my eyes  
like an exotic dream  
the radio plays it songs  
that i have never heard  
I don't know what to say  
ohh not another word  
just lalalalala  
it goes around the world  
just lalalalala  
it's all around the world  
just lalalalala  
and everybody's singing  
lalalalala  
and all the bells are ringing!

Inside an empty room

Cant wait to hear the tune  
Around my head it goes magic melodies  
You want to sing with me just  
lalalalala  
The music is a key  
And now the night is gone  
Still it goes on an on  
So deep inside of me  
I want to set it free  
I dont know what to do  
Just can explain to you  
I dont know what to say  
Ohh not another word

Just lalalalala  
it goes around the world  
just lalalalala  
It's all around the world  
Just lalalalala  
and everybody's singing  
lalalalala  
and all the bells are ringing!

The kisses of the sun of the sun of the sun  
lalalalalala  
it goes around the world  
just lalalalalala  
it's all around the world  
just lalalalalala  
and everybody's singing  
lalalalala  
and all the bells are ringing
