

Alex Clare, Too Close

You know im not one to break promises
I dont wanna hurt you but i need to breathe
At the end of it all, youre still my best friend
But theres something inside that i need to release
Which way is right, which way is wrong,
How do i say that i need to move on
You know we're heading separate ways

Feels like i am just too close to love you
Theres nothing i can really say
I cant lie no more, i cant hide no more
Got to be true to myself
And it feels like i am just too close to love you
So ill be on my way

Youre giving me more than i can return
Yet theres oh so much that you deserve
Nothing to say
Nothing to do
Ive nothing to give, i must live without you
you know we're heading separate ways

Feels like i am just too close to love you
Theres nothing i can really say
I can't lie no more, i can't hide no more
Got to be true to myself
And it feels like i am just too close to love you
So ill be on my way
