

# Alexandra Stan, Boom Pow (feat. Daddy Yankee

Yes!, we got that boom pow

We a little champagne crazy  
Pinky up, we run this city  
See us in the club, go crazy!  
That's how we do, that's how we do, baby  
Hotter than a lit volcano  
Dancing on the floor like J. Lo  
Make you wanna spend them pesos  
That's how we do, that's how we do, baby

We know what you want tonight  
See it burning in your eyes  
You're like gimme, gimme, gimme, gimme, gimme boom pow

Yes, we got that boom pow  
Watch us drop it down, down  
Hear you screaming out loud  
Say: gimme, gimme, gimme, gimme, gimme boom pow  
You say gimme boom pow  
Say you want it right now  
Hear it screaming out loud  
Say: gimme, gimme, gimme boom pow

When we feel the beat stop banging  
We can stop our bass from swinging  
We know what you want, they're thinking  
That's how we do, that's how we do, baby  
Tell me, do you wanna touch it?  
Baby, take your time, don't rush it  
Promise we gon' make you love it  
That's how we do, that's how we do, baby

We know what you want tonight  
See it burning in your eyes  
You're like gimme, gimme, gimme, gimme, gimme boom pow

We know what you want tonight  
See it burning in your eyes  
You're like gimme, gimme, gimme, gimme, gimme boom pow

Yes, we got that boom pow  
Watch us drop it down, down  
Hear you screaming out loud  
Say: gimme, gimme, gimme, gimme, gimme boom pow  
You say gimme boom pow  
Say you want it right now  
Hear it screaming out loud  
Say: gimme, gimme, gimme boom pow
