Alexandra Strunin, Stranger

We found each other by mistake I never really wanna you You?ve said you even? Kill others?.

Now it?s? around Now it?s? around

We found each other by mistake I never really wanna you But now it?s? around He never died for me

I do anything you tell me to ? I give all me heart You?re stranger to me You?re stranger to me

I do anything you tell me to I give you everything I got Please look at me like lover do You?re like a stranger to me You?re stranger to me Like a stranger
