## Alice Cooper, Big Apple Dreamin' (Hippo)

We're so young and pretty We're so young and clean So many things That we have never seen ...from Ohio Sell this damn old store Big Apple dreamin On a wooden floor

Skyscrapers And subways and stations Starin' up At the United Nations

[Chorus:]
New York is waiting
For you and me, baby
Waiting to swallow us down
New York, we're coming
To see what you're made of
Are you as great as you sound

Heard about them massages
And all those dirty shows
Well, I read somewhere
Some places never close
While we waste time on yokels
Comin' through the door
Big Apple dreamin'
On a wooden floor

Skyscrapers And subways and stations Starin' up At the United Nations

## [Chorus]

New York is waiting
For you and me, baby
Waiting to swallow us down
New York, we're coming
To see what you're made of
Are you as tough as you sound
[2x]

Yeah, New York is waitin', baby Waitin' to swallow us down New York, we're coming To see what you're made of Can't be as tough as you sound

## [Chorus]

Oh, New York
Oh New York, we're comin'
Oh we're comin'
To see what you're made of
Oh can't be as good as you sound
Me and my baby, we're comin'
Oh we're comin'
They're waitin' for you and me, baby...
