

Alicia Keys, So Done (ft. Khalid)

Cause i am so, so done
Got it my time
Holding me back
I am living the way that I want
Cause i am so, so done
Fighting myself
Going through hell

I am living the way that I want
I am living the way that I want
I am living the way that I want
I am living the way that I want
I am living the way that I want

I lost control of all of my Energy
Done so much damage to my heart
I've givin in, i've changed my identity
I didn't mean to go so far

Oh my God
I wish
I could be
Better than this
My god, wish
I could be

Cause i am so, so done
Got it my time
Holding me back
I am living the way that I want
Cause i am so, so done
Fighting myself
Going through hell

I am living the way that I want
I am living the way that I want
I am living the way that I want
I am living the way that I want
I am living the way that I want

living the way
on a high
connecting the way
people keep changing
phases why i am so jaded
face it i think i am fading
taken back, no

Oh my God
I wish
I could be
Better than this
My god, wish
I could be

Cause i am so, so done
Got it my time
Holding me back
I am living the way that I want
Cause i am so, so done
Fighting myself
Going through hell

I am living the way that I want

I am living the way that I want
I am living the way that I want
I am living the way that I want
I am living the way that I want
