All Time Low, Monsters (feat. Demi Lovato and bl

Why d all th emonsters come out at night? Why do we sleep where we want to hide? Why do i run back to you liek I don't mind if you fuck up my life?

Another day
Another headache
In tis hangover hotel
Getting used to tthe rythym
I know this beat too well
Tunel vision's got me feeling like you're the only one i see
But i know what's missing when i am swomming
On my lonely luxury*
