

# Ally Brooke, Fabulous

Nobodies perfect  
i got my flaws but man I'm gorgeous  
he keeps me calling cause I am worth it  
keep him in check, I make him earn it

in my past  
I put my heart in someone else's hands  
let everybody tell me who I am  
but now I understand

that if I am gonna love someone  
I am just gonna love myself  
I already know I am fabulous  
I don't need no one else

so yes, I am gonna love my curves  
and yes, I am gonna love my scars  
and I'mma be the only me  
who's ever gonna break my heart

I woke up feeling fabulous  
don't wait on my I am fabulous  
I woke up feeling fabulous  
don't wait on my I am fabulous
