

# Ally Brooke & Matoma, Higher

all the wind has been singing me a symphony  
the sweetest sound that I've ever heard  
feels amazing the way that it's been lifting me  
I'm free up here, as high as a bird

I'm all alone, you don't need to cry for me  
I can't wait to get where I am going  
you know that I'd love to stay  
but I'm already on my way

cause my love's taking me  
higher /3x  
look up, you'll see me  
higher /3x  
and I know I'm getting close now  
I can hear the quiet  
cause my love's taking me  
higher /3x

there's a notion of gratitude inside of me  
and the waves wash clean my soul  
and I could stay here forever quite happily  
these dreams are made of gold

I think everyone dead is ever prayed for me  
you gave me my wings  
you know that I'd love to stay  
but I am already on my way

cause my love's taking me  
higher /3x  
look up, you'll see me  
higher /3x  
and I know I'm getting close now  
I can hear the quiet  
cause my love's taking me  
higher /3x

in the play I am gone  
in the day I am gone  
when you play this song  
when you play this song  
from my bird's eye view  
I will look after you  
I will look after you

cause my love's taking me  
higher /3x  
look up, you'll see me  
higher /3x  
and I know I'm getting close now  
I can hear the quiet  
cause my love's taking me  
higher /3x
