

Ally Brooke, No Good

[Intro]

You're no good for me
I don't need nobody
Don't need no one
That's no good for me

[Verse 1]

I'd kiss you goodbye in the dead of the night if I could
(Oh yeah, yeah, yeah)
I'd start up the car and ride off in the dark, no, I should
(Oh yeah, yeah, yeah)
But I see the fireworks the second you call out my name
(My name, name, name, my name)
You put me through hell, but I can't quit you, for Heaven's sake

[Pre-Chorus]

Make a promise that I'm leaving
But my heart only wants what it wants
In the madness, what a feeling
I'm hung up, should be hanging it up

[Chorus]

Woah, you're no good for me
I don't need nobody
Don't need no one
That's no good for me
You're no good for me
I don't need nobody
Don't need no one
That's no good for me

[Verse 2]

You're poison, I'm ivy
Together, we're perfectly bad (Bad, bad, bad, bad)
Your venomous eyes
Could blink one time and keep me attached (Oh)

[Pre-Chorus]

Make a promise that I'm leaving
But my heart only wants what it wants
In the madness, what a feeling
I'm hung up, should be hanging it up

[Chorus]

You're no good for me
I don't need nobody
Don't need no one
That's no good for me
You're no good for me
I don't need nobody
Don't need no one
That's no good for me

[Post-Chorus]

No good, no good (No good)
No good, no good (No good)
No good, no good
That's no good for me
No good, no good (No good)
No good, no good (No, no good)
No good, no good
That's no good for me

[Bridge]

Promise that I'm leaving
But my heart only wants what it wants
In the madness, what a feeling
I'm hung up, should be hanging it up

[Chorus]
Woah, you're no good for me
I don't need nobody
Don't need no one
That's no good for me
You're no good for me
I don't need nobody
Don't need no one
That's no good for me (Oh)

[Outro]
No good, no good (No good)
No good, no good (No good)
No good, no good
That's no good for me
No good, no good (No good)
No good, no good (No good)
No good, no good
That's no good for me
