

American Heartbreak, Arm Candy

Plastic, nothing's real inside of you
Sickens, cheapens every thought of you

Tuck it in and suck it out
You're so obsessed, you're so obsessed
Between the sheets between the lies
So obsessed, you're so fucking obsessed

I know who you are (You'll find a way)
Pretentious and so scarred (You'll find a way)
I know who you are, I know who you are

Tragic, No idea who you are
Paralyzed, black and blues can't hide the scars

Tuck it in and suck it out
You're so obsessed, you're so obsessed
Tuck it in and suck it out
So obsessed, you're so fucking obsessed

(Repeat Chorus)

Always wanted to feel so needed
Always wanted to be alone
Always wanted to feel so needed
Bette Davis in a movie show

Yeah, yeah - Alright
(Repeat)
Yeeaaaah

(Repeat Chorus)
