American Heartbreak, Richey James

American Heartbreak Miscellaneous Richey James

All the pictures I once had Burn them all I couldn't care less Cut yourself with razor blades Destroy yourself on amphetamines This ain't no party Feelin' the way I do You're the last one of the day Crucified by N.M.E. Seventeen for Richey We are the dead flowers in Playgrounds of the rich infested The sad & amp; amp; the lonely Are the only ones with style You're the last one of the day (Repeat) Too Young to die Too Young to care To fall in love Too Young to die Too Young to care To fall in love Well you gave it all you can To destroy the middle class He is suffering a perfect death You're the last one of the day (Repeat)
