

# American Juniors, Taylor Thompson Proud Mary()

Left a good job in the city  
Workin for the man ev'ry night and day  
And I never lost a minuite of sleepin  
Worryin bout the way thing might have been

Big wheels keep on turnin(turnin)  
Proud Mary keep on burning(burning)  
Rollin, rollin, rollin on the river  
River Do do do do do do do do do do

If you come down to the river  
Bet you gunna find some people who live  
And you dont have to worry  
If you have no money  
People on the river are happy to give

Big wheel keep on turnin(turnin)  
Proud mary keep on burning(burnin)

Rollin, Rollin, Rollin on the river  
We're rollin, rollin, rollin on the river  
River do do do do do do do do do do

Wha  
Ya  
Whoo!
