

Amy Macdonald, The Hudson

I seen thi sguy on a Saturday night
You're looking good, yeah you're shining bright
I seen the girls in their high heeles shoes
Lookig for love they're got nothing to lose

What happened through these years
All i feel is fear and doubt
What happened to the confidence
I am older now

Where did it all go wrong
My love where dod we fall apart
Summer un teh 70s livin a king and queen
Leeking back on where we are
