

# Amy Macdonald, The Hudson

I seen thi sguy on a Saturday night  
You're looking good, yeah you're shining bright  
I seen the girls in their high heeles shoes  
Lookig for love they're got nothing to lose

What happened through these years  
All i feel is fear and doubt  
What happened to the confidence  
I am older now

Where did it all go wrong  
My love where dod we fall apart  
Summer un teh 70s livin a king and queen  
Leeking back on where we are
