

Ana Soklic, Amen (Słowenia, Eurovision 2021)

Hey child
Why you hidin' from the light?
Why you cowering in fright?

Don't tell yourself that Heaven's casted you out
And you're fallin' from grace

You'll get beaten and bruised
You'll be skied into your core
But it's gonna make you who you are

When you learn to heal
When you learn to rise again
You can tell the sun
Amen
