

Anderson .Paak, Am I Wrong (feat. ScHoolboy Q)

I'm only coming out to play
Nothing more that I hate in this life
The wrong impression, I only have one to make
You can open your palm
Waiting to catch a break
The cards will fall where they may
And what about me?
I believe in fate
They wanna know where I'll be in five
What about today?
What about tonight?

Only one at a time
So precious
Is your
Is mine
Only one at a time
My life, my life

Am I wrong to assume
If she can't dance
Then she can't ooh?
/2x

Hey
I never wanna waste your time
My life
So precious
Is your
Is mine
At look at the time, my God
So precious
Is your
Is mine
