

Anderson .Paak, Tints (feat. Kendrick Lamar)

I beeb feelin' kinda cooped up
cooped up
I'm trying to get some fresh air
aye, why you got the roof off
roof off
you know it never rains here

ayy, you ain't gotta flash
when you takin' your picture
you ain't gotta draw
no extra attention
paparazzi wanna shoot ya
shoot ya
niggas dyng for less, I hear

I been in my bag
adding weight
tryin' to throw a bag
in a safe
giggin'
touri'
chillin'
raisin' babies
baby milo want some
bathing apes
niiggas cryin' for less out here
do what I got to do bruh
do bruh
get up in my rear view mirror

I can; t be
ridin'round and round
that open strip
I need tints
(windows tinted)
I need tints
(windows tinted)
