

# Andreas Schuller, Burlesque (Feat. Klara Elias)

Oh woopsie doo  
What's a girl, a girl to do  
With all of these clothes that are waitin' to come off for you  
Oh woopsie doo  
What's a girl, a girl to do  
I'll put on a show, a show of Burlesque, for you  
But that's all I'll do

Whatever lolly wants lolly gets  
Whatever lolly does she gon' make you wanna drop like you're lollys little pits  
Oh, but lolly does her dance she gon' make you wanna...

Whatever lolly  
Whatever lolly  
Whatever lolly wants lolly gets

Oh woopsie doo  
What's a girl, a girl to do  
With all of these clothes that are waitin' to come off for you  
Oh woopsie doo  
What's a girl, a girl to do  
I'll put on a show, a show of Burlesque, for you  
But that's all I would do

Drop like a lolly's little...
