

Andrius Mamontovas, Kai Vejas Tau Istars

Kai vejas tau istars kelis zodzius
Kuriuos dabar turiu
As juos per ji siunciu juros bangomis
Sakomis miskiu

As sapnavau tave sianakt
As sapnavau tave..

As juos per ji siunciu bangomis lauku
Smelio sukuriais
Kai jie tave suras nebebus manes
Ir tik sviesa zvaigzdiu

As sapnavau tave sianakt
As sapnavau tave..
