

# Angelique Kidjo, Dignity (ft. Yemi Alade)

Dignity  
Can we save you or kill you  
Dignity  
I wanna hold on to you  
Dignity  
Can hurt you or heal you  
Dignity  
I wanna hold on to you

Were you dey  
Yestaeday?

When the gunman  
Shoot men down  
No retreat  
No surrender  
If tchem push you  
No fall down

Many come  
Many go  
We no sleep we dey road  
We come in peace  
Not in Pieces  
Oj, yeh Oga

Respect is reciprocal  
is reciprocal  
is reciprocal  
My Oga  
Respect is reciprocal  
is reciprocal  
is reciprocal
