

Angie Aparo, Champagne Supernova

How many special people change
How many lives are living strange
Where were you while we were getting high?
Slowly walking down the hall
Faster than a cannon ball
Where were you while we were getting high?
Some day you will find me
Caught beneath the landslide
In a champagne supernova in the sky
Some day you will find me
Caught beneath the landslide
In a champagne supernova
A champagne supernova in the sky
Wake up the dawn and ask her why
A dreamer dreams and never dies
Wipe that tear away now from your eyes
Slowly walking down the hall
Faster than a cannon ball
Where were you while we were getting higher?
Some day you will find me
Caught beneath the landslide
In a champagne supernova
A champagne supernova in the sky
'Cause people believe they're
Gonna get away for the summer, no no, no no
You and I, we live and die
The world's still spinning 'round
We don't know why, why
How many special people change
How many lives are living strange
Where were you while we were getting high?
Some day you will find me
Caught beneath the landslide
In a champagne supernova
A champagne supernova in the sky
'Cause people believe they're
Gonna get away for the summer
But you and I, we live and die
The world's still spinning 'round
And we don't know why, why
Don't know why
How many special people change
How many lives are living strange
Where were you while we were getting high?
And we were getting high
Getting high, getting high
Oh, we were getting high
