

# Anita Baker, Same Ole Love (365 Days A Year)

Flashback's of the times we've had  
Some made us laugh, some made us sad  
We used to break up to make up  
All the fun that came from those love games  
Oh, well, I think I need someone new  
Oh, it just won't do, because I think about you, baby  
From beginning to end 365 days of the year  
I want your same ol' love  
All I wanna do is keep on loving you  
I want your same ol' love  
There's a reason why I feel this way  
All the things you do, well, it might be the things that you say  
Your love never changes  
It's like a picture in a frame and it remains the same  
Your undying love for me  
Oh, it keeps me strong, keeps me holding on  
From beginning to end 365 days of the year  
I want your same ol' love, baby  
And all I wanna do is share my life with you  
I want your same ol' love  
Slowly, love me  
All is forsaken, I love the love we're making  
'Cause it's truly lovely  
I'll never leave you, you'll know I need you, baby  
From beginning to end 365 days of the year  
I want your same ol' love, yeah, yeah  
And all I wanna do is share my life with you  
I want your same ol' love  
From beginning to end 365 days of the year  
I want your same ol' love, yeah, yeah  
And all I wanna do is share my life with you  
I want your same ol' love  
From beginning to end, 365 days of the year  
I want your same ol' love  
And all I wanna do is share my life with you  
I want your same ol' love  
From beginning to end, 365 days of the year  
I want your same ol' love, yeah, yeah  
And all I wanna do is share my life with you  
I want your same ol' love
