Anitta, Boys Don't Cry

Who says boys don't cry?

Sometimes I call you when I can't sleep alone Now you keep me asking what that means, oh no In your feelings, I can feel it You're in your feelings, you won't admit it but That's why I push you away from me 'Cause I know, I know

It drives you crazy, tried to tame me But nobody's taking control over me

Ooh, baby, baby, you've been talking tough But you boys can't get enough When the girls don't need your love Who says boys don't cry? Ooh, baby, baby, you just oughta touch 'Cause you boys can't get enough When the girls don't need your love Who says boys don't cry?

Sometimes you call me when you're too drunk, oh God Then you start telling me I'm the one, I'm not In your feelings, I can feel it You're in your feelings, you won't admit it but I thought that we were just having fun 'Cause I know, I know

It drives you crazy, tried to tame me But nobody's taking control over me

Ooh, baby, baby, you've been talking tough But you boys can't get enough When the girls don't need your love Who says boys don't cry? Ooh, baby, baby, you just oughta touch 'Cause you boys can't get enough When the girls don't need your love Who says boys don't cry?

Who says they don't cry? Who says they don't cry? Who says they don't cry? Who says boys don't cry?
