

Anitta, Gimme Your Number (feat. Ty Dolla \$ign)

Para bailar la bamba (Ooh yeah)
Come on and give me your number (Come on)
If you don't answer the text, yeah
We can have fun next time, now I got your number (Ooh)
Para bailar la bamba (Ooh yeah)
Come on and give me your number (Come on and give me your number)
If you don't answer the text, yeah

Anitta
Gotta ask him where you're from? Da-da-di-da-dum
Does that booty have a da-da-di-da-dum
Once you get it you'll be done da-di-da-dum
Gotta finish with your da-da-di-da-dum

So you're tryna be my baby? Yeah
What you're talking?
What's your sign, what's your flavor, yeah?
Don't hit me with no "Possibly"
You still love me, boy, you gotta be a lover
My body's my language
Do I gotta tell you in Spanish?
Come handle it
Si no, yo no vuelvo 'pa tras

Para bailar la bamba (Ah yeah)
Come on and give me your number (Come on)
If you don't answer the text, yeah
We can have fun next time, now I got your number (Ooh)
Para bailar la bamba (Ooh yeah)
Come on and give me your number (Come on and give me your number)
If you don't answer the text, yeah
We can have fun next time, now I got your number

You know you want this
Way too hot to ignore like a temptress
The way I walk through that door in this tight dress
Ain't too hard to slip off
And you touching on my body, I can't help but want some more, yeah

Make that bubblegum pop, pop, pop, pop
Don't stop
You can take me to the top, top, top, top
Oh, yeah
Like it when that booty drop, drop, drop, drop
Take it off, it's getting hot, hot, hot, hot

Para bailar la bamba (Ooh yeah)
Come on and give me your number (Come on)
If you don't answer the text, yeah
We can have fun next time, now I got your number
Para bailar la bamba (Ooh yeah)
Come on and give me your number (Come on and give me your number)
If you don't answer the text, yeah
We can have fun next time, now I got your number
