

# Anitta, Girl From Rio

Hot girls, where i am from  
We don't look like models  
Tan lines, big curves  
And the Energy glows  
You'll be fallin on love  
With the girl from Rio

Let me tell you about a different Rio  
The one i am from  
But not the one that you know  
The one you meet when you don't have no real
