

Anitta, Love You

Lipstick stain in the water
Six sad sips from the wine
Wasted on occasion with the lights on and I face it
Does the fact that I'm yours and you're mine

I don't wanna sing sad songs forever
I don't want to, but maybe I might
I tried to erase him, to replace him
I forgave him and he's back right to my arms tonight

The sun will always go down (Ooh, ooh, ooh)
The sky will always be blue (Ooh, ooh, ooh)
And, and as hard as I pray to change it
As much as I hate to say this
I, I, I, I'll always love you (Ooh, ooh, ooh)
Love you (Ooh, ooh, ooh)
And, and as hard as I pray to change it
As much as I hate to say this
I, I, I, I'll always love you

Love the taste of all the bitches
Seven sad sips of the wine
Wasted on occasion and the cry says I'm amazing
'Cause I leave and you remain here in my mind

I don't wanna sing sad songs forever
I don't want to, but maybe I might
I tried to erase him, to replace him
I forgave him and he's back right to my arms tonight

The sun will always go down (Ooh, ooh, ooh)
The sky will always be blue (Ooh, ooh, ooh)
And, and as hard as I pray to change it
As much as I hate to say this
I, I, I, I'll always love you (Ooh, ooh, ooh)
Love you (Ooh, ooh, ooh)
And, and as hard as I pray to change it
As much as I hate to say this
I, I, I, I'll always love you

And I cried so many times
To find the peace of mind
.. in the hurry
On my own

The sun will always go down (Ooh, ooh, ooh)
The sky will always be blue (Ooh, ooh, ooh)
And, and as hard as I pray to change it
As much as I hate to say this
I, I, I, I'll always love you (Ooh, ooh, ooh)
Love you (Ooh, ooh, ooh)
And, and as hard as I pray to change it
As much as I hate to say this
I, I, I, I'll always love you
