

Anna Maria Jopek, Moondance

Well its a marvellous night for a moondance
With the stars up above in your eyes
A fantabulous night to make romance
neath the cover of October skies
And all the leaves on the trees are falling
To the sound of the breezes that blow
And Im trying to please the calling
Of your heart strings that play soft and low
You know the nights magic seems to
whisper and hush
And all the soft moonlight seems to shine in your blush
> Can I just have one a more moondance with you,
my love
Can I just make some more romance with a-you,
my love

Well, I wanna make love to you tonight
I cant wait til the morning has come
And I know now the time is just right
And straight into my arms you will run
And when you come, my heart, my heart will be
waiting
To make sure that youre never, never alone
There and then all my dreams will come true dear
There and then I will make you my own
And every time I touch you, you just tremble inside
And I know how much you want me that you
just cant hide

Can I just have one a more moondance with you,
my love Can I just make some more romance
