

# Anne-Marie, Breathing Fire

[Verse 1]

We can run, we can run  
Chase after those sunsets, it's alright  
And we done what we done  
However dark it gets, it's alright

[Pre-Chorus]

We pull the trigger tight  
We glitter up the night  
We live, we live to love  
We live like we are free

[Chorus]

Like we're breathing fire  
And we can be...  
Like we're breathing fire  
And we can roll downtown to where we're from  
And we can ride the dragon all night long  
And we can be...  
Like we're breathing fire  
Like we're breathing fire  
Like we're breathing fire

[Verse 2]

So we fuck and we fight  
In our blood, in our bones and we know it's alright  
And we bark and we bite  
We are all animals and we know it's alright

[Pre-Chorus]

We pull the trigger tight  
We glitter up the night  
We live, we live to love  
We live like we are free

[Chorus]

Like we're breathing fire  
And we can be...  
Like we're breathing fire  
And we can roll downtown to where we're from  
And we can ride the dragon all night long  
And we can be...  
Like we're breathing fire  
Like we're breathing fire  
Like we're breathing fire

[Bridge]

Na na na, na na na na na  
Na na na na na, na na na na na  
Na na na, na na na na na  
Na na na na na, na na na na na

[Chorus]

And we can be...  
Like we're breathing fire  
And we can be...  
Like we're breathing fire  
And we can roll downtown to where we're from  
And we can ride the dragon all night long  
And we can be...  
Like we're breathing fire
