Anne-Marie, In Common x Don't Mind

She said "Hola, ¿Cómo estás?", she said "Konnichiwa" She said "Pardon my French", I said "Bonjour Madame" Then she said "Sak pase" and I said "N'ap boule" No matter where I go, you know I love 'em all

She said "Hola, ¿Cómo estás?", she said "Konnichiwa" She said "Pardon my French", I said "Bonjour Madame" Then she said "Sak pase" and I said "N'ap boule" No matter where I go, you know I love 'em all

Said I'd be home by five But it's sunrise and I'm still in your bed Goodnight usually means goodbye Me, replaying memories in my head

Look at you, look at you Look what you made me do How do you, how do you think know my every move? Who are you? Who are you? You look so familiar I know you, I know you, baby, I know the truth

She said "Hola, ¿Cómo estás?", she said "Konnichiwa" She said "Pardon my French", I said "Bonjour Madame" Then she said "Sak pase" and I said "N'ap boule" No matter where I go, you know I love 'em all

She said "Hola, ¿Cómo estás?", she said "Konnichiwa" She said "Pardon my French", I said "Bonjour Madame" Then she said "Sak pase" and I said "N'ap boule" No matter where I go, you know I love 'em all

We used to talk 'til midnight All those days that you stayed at my house We were just passing the time When we were young and we ain't had no vows

Look at you, look at you Look what you made me do How do you, how do you think know my every move? Who are you? Who are you? You look so familiar I know you, I know you, baby, I know the truth

We got way too much in common If I'm being honest with you We got way too much in common Since I'm being honest with you

Who wants to love somebody like me? You wanna love somebody like me? If you could love somebody like me You must be mystical too

Who wants to love somebody like me? You wanna love somebody like me? If you could love somebody like me You must be messed up too
