

# Anthony Hamilton, I Wanna Be With You

Anthony Hamilton  
Comin' From Where I'm From  
I Wanna Be With You  
You mean the world to me  
Being my everything  
I dont understand it  
Yeah hey  
You mean the world to me  
Huh-uh  
You was my main one.  
Ooo ohhh  
Huh-uh  
Huh-uh  
I wanna be with you  
For the rest of my life  
Youre the only one that  
Means the world to me  
(Means the world to me)  
I dont need a fancy car  
Pearls or diamond rings  
The love you had meant  
Everything to me  
(Me yeah)  
I wanna be with you  
And no time to waste  
You put a smile on my face  
Everytime Im with you  
It feels like Im in heaven  
I wanna be with you  
And no time to waste  
You put a smile on my face  
And baby dont you know now  
I just sit and think of you

God only knows you take  
Control of my soul  
And you take me for a ride  
Every time youre with me  
(When youre with me)  
You are warm in spirit  
You are warm at heart  
Why did you have to leave?  
Why did we ever have to part?  
Time came and took you away  
I thought you were here to stay  
Why did you have to leave me  
Why did you have to leave and  
Go away  
Time came and took you away  
I thought you were here to stay  
Why did you have to leave me?  
Why did you have to leave and  
Go away  
(I dont know why)  
I wanna be with you  
And no time to waste  
You put a smile on my face  
Everytime Im with you  
It feels like Im in heaven  
I wanna be with you  
And no time to waste  
You put a smile on my face  
And baby dont you know now  
I just sit and think of you (2x)

OooOooohhhOooOooohhh  
Why did you have to leave and  
Go away  
I wanna be with you  
And no time to waste  
You put a smile on my face  
Everytime Im with you  
It feels like Im in heaven  
I wanna be with you  
And no time to waste  
You put a smile on my face  
And baby dont you know now  
I just sit and think of you (4x)
