

Apoptygma Berzerk, Coma White

There's something cold and blank behind her smile
She's standing on an overpass
In her miracle mile

(coma):

'cause You were from a perfect world
A world that threw me away today
Today, today to run away
A pill to make you numb
A pill to make you dumb
A pill to make you anybody else
But all the drugs in this world
Won't save her from herself
Her mouth was an empty cut

And she was waiting to fall
Just bleeding like a Polaroid that
Lost all her dolls

(coma):

You were from a perfect world
A world that threw me away today
Today, today to run away
A pill to make you numb
A pill to make you dumb
A pill to make you anybody else
But all the drugs in this world
Won't save her from herself
