

# Arcade Fire, Black Mirror

I walked down to the ocean  
After waking from a nightmare  
No moon, no pale reflection  
Black Mirror, Black Mirror

Shot by a security camera  
You can't watch your own image  
And also look yourself in the eye  
Black Mirror, Black Mirror, Black Mirror

I know a time is coming  
All words will lose their meaning  
Please show me something that isn't mine  
But mine is the only kind that I relate to  
Le miroir casse  
The mirror casts mon reflet partout  
Black Mirror, Black Mirror, Black Mirror

The black mirror knows no reflection  
It knows not pride or vanity  
It cares not about your dreams  
It cares not for your pyramid schemes  
Their names are never spoken  
The curse is never broken  
The curse is never broken

Un! Deux! Trois! Dis: Miroir Noir!  
Black Mirror!  
Un! Deux! Trois! Dis: Miroir Noir!  
Black Mirror!

Mirror, mirror on the wall  
Show me where them bombs will fall  
Mirror, mirror on the wall  
Show me where them bombs will fall

Black Mirror!  
Black Mirror!  
Black Mirror!
