

# Arch Enemy, War Eternal

Friend or foe, there's no way to know  
In the battlefield of life it's kill or be killed  
So many times it's a matter of degrees  
From being up on your luck to down on your knees

It's a hellish inferno  
This is war eternal

They try to change you, crush and break you

Try to tell you what to do  
They love to have control of you  
Back against the wall  
In danger of losing it all  
Search deep inside  
Remember who you are

It's times like these when lines are drawn  
Which side of the fence are you swinging on?  
There will come one day not so far away  
When the hunter becomes the prey (and you will pay)

It's a hellish inferno  
This is war eternal

They try to change you, crush and break you

Try to tell you what to do  
They love to have control of you  
Back against the wall  
In danger of losing it all  
Search deep inside  
Remember who you are

This is fucking war!

They try to change you, crush and break you

Try to tell you what to do  
They love to have control of you  
Back against the wall  
In danger of losing it all  
Search deep inside  
Remember who you are
