

# Archive, Freedom

I own this place free space  
This tight ship I own the free, it's all mine  
All the flavours I taste as far as the eye can see  
Well it's all me  
Big steps big strides  
It's large and back and forth  
Get out of my way  
Move aside all the people all the dreams  
The happenings  
It's good to be I own this road, you're mine  
No gaps no stops no breaks no gaps no stops no breaks for me  
No gaps no stops no breaks  
This choice a voice I own this place

I choose this life it's all for me  
I own this place I'm free  
It's my movement, it's my moment  
It's my life, well it's good to be me

I'm free I take this time, this time is all mine  
No keys no bars no blocks  
My heels don't drag, my purse is full of freedom  
My skin is tight, my word is right

It's good, it's great, it's white  
It's straight I live this way cos I can  
No gaps no stops no breaks no gaps no stops no breaks for me  
No gaps no stops no breaks  
This choice a voice, I own this place

I choose this life it's all for me  
I own this place I'm free  
It's my movement, it's my moment  
It's my life, well it's good to be me

I'm free  
Freedom comes with chains  
Freedom comes with pain  
You can't hide  
You can't hide  
Freedom fills the graves  
Freedom for God's sake  
For God's sake  
You can't hide  
You can't hide  
You can't hide  
Freedom tastes like dirt
