## Archive, Goodbye

I'm thinking of you

In my sleep

They're not good thoughts

The worst kind of sad

I've noticed things

Cannot be repaired

When I wake up

I'll be in despair

Cause I know I've got to say

I know I've got to say

Goodbye

Baby goodbye

Goodbye

Baby goodbye

You're my sweetheart

Goodbye

You're my sweetest

Goodbye

I know I'm gonna look

So so so bad

But there's no easier way

For me to have to walk away

But I don't wanna hear this no more

And I don't wanna feel this no more

And I don't wanna see this no more

And I don't wanna experience this no more

Cause I know I've got to say

I know I've got to say

Goodbye

Baby goodbye

Goodbye

Baby goodbye

You're my sweetheart

Goodbye

You're my sweetest

Goodbye

Goodbye

Goodbye

Goodbye (you're my sweetest)
