

# Are You God?, Lifeless

Oh. Oh. Oh.  
Shut up (babe)  
I am too tired to go on  
I need to keep pulling through  
It hurts (baby)  
So leave me now  
I'll be better off  
When I'm lifeless

Lifeless me. Pitiful me. I need you...badly.

I pulled the plug. Yes I did.  
I needed to get out of the pit  
You put me in. (babe)

Lifeless me. Pitiful me. I need you...badly.  
Lifeless me. Pitiful me. I need you...badly.

Yes I do..need you.
