Ari Lennox, J. Cole, Shea Butter Baby (From "Cre

Hold it, need it, need it, yeah Shea butter baby, fuckin' up your pillow

Touch me, take me, Kiss me Love me, Impress me Pull up, black truck, ganja Wrist so blinding, Heart so timeless Wishing, you could meet me, see me freak me

you lost in the shape my hips jhope there is a mood if you really down we can find it lost in an alley make love by a trash can hope there is a mood and if you really down we can find it lost in an ally make lobe by a trashcan

shea butter baby fucking up your pillow Shea butter baby, fuckin' up your pillow
