

Ariana Grande, Better Left Unsaid

I told you once get out my life
I don't need ya, I'll be alright
But some things are better left unsaid

So tell the truth, it hit me hard
My broken heart is all I have now
But some things are better left unsaid

And I swore that I would never say
I miss you more every day
But some things are better left unsaid
Are better left unsaid, said, said

Oh whoa oh oh
I'm gonna say things, like shut up and kiss me
Oh whoa oh oh
Tonight I'm gonna lose some things
Don't blame me just kiss me

If you wanna party, put your hands up
Put your hands up put your hands up
Don't blame me just kiss me
Oh whoa oh oh
Tonight I'll say things, don't blame me just kiss me babe

You tell a lie, playin' tonight
Too many drinks, so many reasons
That some things are better left unsaid

And I swore that I would never say
I miss you more every day
But some things are better left unsaid
Are better left unsaid, said, said

Oh whoa oh oh
I'm gonna say things, like shut up and kiss me
Oh whoa oh oh
Tonight I'm gonna lose some things
Don't blame me just kiss me

If you wanna party, put your hands up
Put your hands up put your hands up
Don't blame me just kiss me
Oh whoa oh oh
Tonight I'll say things, don't blame me just kiss me babe

If you wanna party, put your hands up
Put your hands up put your hands up
Don't blame me just kiss me
Oh whoa oh oh
Tonight I'll say things, don't blame me just kiss me babe

Oh whoa oh oh
(If you wanna party, put your hands up
Put your hands up put your hands up)

You tell a lie, plain' tonight
Too many drinks, so many reasons
That some things are better left unsaid
